Tarlton Nurseries was established by the present owner, E. J. Morton, 45 years ago; and I now promise the same good service as in the past—all orders and the packing of same has my personal attention and I make a specialty of transplanting and growing in nursery rows Halls Japan Honeysuckle No. 1 for the trade. Large orders, car lots solicited, 100 to 200 thousand. If wanted for fall delivery 1947 or spring 1948, write for special prices on car lots. Let us figure with you on honeysuckle and lining-out seedlings and tree and shrub seeds, crop 1947.

--------------------	-------

To customers who are unknown to us we require cash with order, or bank references. To parties known to us, usual terms, June 1, 1947. As lining-out stock is somewhat scarce and will be by spring planting time, we advise now early booking so we can look out for your wants. If other varieties are wanted and are not listed here on this list, write us and if possible we will try to furnish same.

For your reference as to my fair dealings, I give you the First National Bank of McMinnville, Tenn., or the Third National Bank of Nashville, Tenn., or Dunn and Bradstreets Agencies. So please make your orders early with us and remember and place your orders for Hall's Japan transplanted honeysuckle for fall delivery, 1947, for which we are hoping to be able to deliver 200,000 No. 1 honeysuckle transplants fall, 1947. We have now eight to ten thousand Hall's Japan No. 1 honeysuckle transplants ready for shipment at 4½c each.
